CONCERT BILL INCLUDES THE MCCLYMONTS, THE DRIFTERS, JONNY TAYLOR, MOIRA J. SCOTT AND THE OUTBACK AUSSIE SHOW | SATURDAY 1ST NOVEMBER 2014

Country music fans are in for a massive treat the first Saturday in November with an incredible line-up of music royalty performing as part of the Country Music Fiesta at El Caballo Resort. The family-friendly event features something for all ages and all music types. This incredible bill features the likes of country music sweethearts The McClymonts, iconic legends The Drifters featuring Billy Washington, Australia's Got Talent finalist Jonny Taylor, Moira J. Scott performing an amazing tribute to Patsy Cline and children's supergroup The Outback Aussie Show.

El Caballo Resort managing director Matthew Pavlinovich says the event will be an affordable day out with a variety of quality entertainment for all ages in a friendly atmosphere. "We have realised that nobody is catering for country music entertainment for families," he says. "We have them put together a variety of top artists whose music will entertain everyone. The event will take place in our new lawn amphitheatre, which has been described as an intimate outdoor venue."

The McClymonts don't need an introduction to country music fans. The sister trio have been earning acclaim on the Australian and international scene since their debut album *Chaos & Bright Lights* in 2007. Since then they have won more accolades to count, including ARIAs for *Best Country Album* in 2010 for their second long-player *Wrapped Up Good* and 2012 for their third album *Two Worlds Collide*. They also picked up eight Golden Guitars and an APRA Award, cementing their reputation as Australian country music darlings. Fast forward to 2014 and The McClymonts are back with their fourth album *Here's To You & I*. Well reputed for their incredible harmonies, vibrant performances and stage banter, the McClymont sisters certainly know how to put on a show. Fans of any music genre will be captivated by The McClymonts as they headline El Caballo's Country Music Fiesta.

The Drifters are legends of American doo-wop. These days, the icons from the 1950s are led by the amazing Billy Washington who was inducted into the band by founding member Clyde McPhatter back in the day. He was only 14 when he joined The Drifters and Billy Washington certainly isn't slowing down. The band formed in 1953, becoming famous around the globe for their stunning vocal harmonies. With hits such as *Under The Boardwalk*, *On Broadway* and *Spanish Harlem* to name a few, they enjoyed more than 26 USA chart hits. Still wowing audiences, it's no surprise to find out that The Drifters are one of the most famous vocal groups in the world. This is a rare opportunity to see hits band bring out all their greatest hits for this special Fiesta event.

Since landing a finalist position on Australia's Got Talent, 2014 Star Maker Grand Finalist Jonny Taylor hasn't stopped working. In fact, he is fast earning the reputation as one of the hardest working young artists on the Australian music scene today. The West Australian born musician has spent the past few years on the road, playing to fans around the country and cutting his teeth the 'old fashioned way'. Consequently, on stage, Jonny's live show is incredible. With a strong, deep voice, his songwriting and effortless musical style earn him acclaim wherever he goes. He won *Best Male Artist*, *Best Independent Single* and *Best Independent Album* at the 2014 WA Country Music Awards and it's evident that this is just the tip of the

iceberg for the success that is yet to come for this talented musician. His upcoming performance as part of the Country Music Fiesta is guaranteed to earn him even more fans of all ages.

The Outback Aussie Show is the newest supergroup for children. With high energy and high participation songs performed by naturally gifted entertainers Jess and Dan, the Outback Aussie share songs about their homeland. Everything that inspires songs about Australia feature in this incredible bands' catalogue, from kangaroos, koalas to our great beaches. It's not unusual to see children on their feet dancing from the first song (and parents joining in). The supergroup have already made a huge splash in the US, with celebrity mums and dads such as Brooke Shields, Gwyneth Paltrow and Jerry Seinfeld, to name a few, hosting the Outback Aussie at their childrens' parties. The group were also invited to perform in the US during a visit by Princess Mary of Denmark. These are all pretty huge endorsements for this amazing group. Children and adults will delight as the Outback Aussie show takes to the stage at the Country Music Fiesta.

There is also a bus service running from Morley Galleria, Midland Railway Station, Ellenbrook Shopping Centre and Mundaring Shops. Bookings can be made via the venue website.
